

Help Stop Green Belt Destruction in Birchanger & Stansted Mountfitchet

Our local countryside is under attack. City & Country is pushing forward a housing development for 520 homes on protected Green Belt land in Birchanger and Stansted Mountfitchet.

What's at stake?

- **Green Belt land** - designated to prevent urban sprawl, safeguard the countryside from encroachment and protect unchecked development. This development violates this principle and sets a dangerous precedent
- **Severe traffic congestion** on already overburdened roads and **overstretched schools, GPs and emergency services** in and around Birchanger, Stansted and Bishop's Stortford
- **Loss of village identity and heritage**
- **Destruction of habitats and loss of vital green spaces**
- **Incompatible with local planning vision**

Stand up for our villages!

- ✓ **Join the Birchanger & Stansted Green Belt Preservation Group to get involved, keep informed and find out what you can do to fight this development:**

Follow the Birchanger and Stansted Greenbelt Preservation Facebook page

bsgreenbeltpreservation@gmail.com

07368 501136

- ✓ **Tell your neighbours, share this flyer and speak out!**
- ✓ **Look out for future notices and communications**

**ONCE IT'S BUILT ON,
IT'S GONE FOREVER**

**We're not anti-housing.
We're anti-irresponsible development that destroys Green Belt land.
Protect our countryside. Protect our future.**

The Birchanger and Stansted Green Belt Preservation Group is an independent resident-run campaign. Its aims are supported and endorsed by the Birchanger Residents Association and the Stansted Residents Association.
