Dear Secretary of State,

THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) (AMENDMENT AND TRANSITIONAL PROVISION) ORDER 2026

REFERRAL OF PLANNING APPLICATION – UTT/25/3012/OP

LOCATION: South-west Of Mountfitchet High School, Forest, Hall Road, Stansted, Essex

In accordance with Amended article 18(5) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 as per the above Order 2026 and in accordance with section 77 of the Town and Country Planning Act 1990, Uttlesford District Council hereby refers the following planning application for your consideration:

Application Details:

- **Reference:** UTT/25/3012/OP
- **Applicant:** City & Country Stansted Ltd
- **Site Address:** South West Of Mountfitchet High School, Forest, Hall Road, Stansted, Essex
- **Proposal:** Outline application for up to 300 dwellings, up to 2000sqm of Class E uses (offices, shop, cafe) early years nursery, private gym), up to 60 bed care home, safeguarded village hall land, safeguarded educational land, access, landscaping, and associated infrastructure.

Reason for Referral:

This application is being referred to you because it is a residential scheme of more than 150 units that has been resolved to be refused. The reason for the resolution to refuse the application is the schemes location in Green Belt, an unallocated site within the newly adopted local plan and the housing land supply at 4.77 years has been applied limited weight.

Refusal Reason 1.

The proposed development, by reason of its location on an unallocated site outside the defined settlement boundary, would conflict with the Council's spatial strategy for the distribution of growth.

The proposal is therefore contrary to Core Policy 2 (Meeting Our Housing Needs) and Core Policy 3 (Settlement Hierarchy) of the Uttlesford Local Plan 2021–2041, which direct development to allocated sites and the most sustainable settlements. Furthermore, the proposal would constitute unsustainable development when assessed against the National Planning Policy Framework (NPPF), in particular paragraphs 11 and 15, which emphasise a plan-led approach to development and the delivery of housing in appropriate locations.

As such, the proposal is not considered to accord with the Development Plan when taken as a whole.

Refusal Reason 2

The proposed development would constitute inappropriate development within the Green Belt by reason of its scale and nature. It would result in harm to the openness of the Green Belt and conflict with the purposes of including land within it, particularly in terms of encroachment into the countryside. The site is not considered to fall within the definition of Grey Belt and therefore attracts full Green Belt protection.

In the absence of very special circumstances, the identified harm to the Green Belt, by definition and in spatial terms, is not clearly outweighed by other considerations. The proposal is therefore contrary to Core Policy 59 (The Metropolitan Green Belt) of the Uttlesford Local Plan 2021–2041 and the National Planning Policy Framework (NPPF), in particular Section 13, which attaches great weight to the protection of the Green Belt.
